

67th Winnipeg Scouts explain

How to use a tree bag

1. Make a hole in bottom of bag and wrap bag around stand.
2. Insert tree in stand.
3. Skirt the tree stand.
4. Let tree thaw before decorating.
5. Have a Merry Christmas.
6. Remove decorations and lift the bag around the tree.
7. Tie top of bag in a bow.
8. Loosen trunk, pull tree from stand and carry to car.
9. Bag will keep needles off your floor and your car trunk while enroute to tree recycling depot.
10. At the depot, please remove bag from tree.
11. Bag can be saved for re-use next year.
